The Company

Cranbrook Care aims to be recognised and respected as a premier provider of quality residences, care and lifestyle services. In meeting our vision, we strive for exceptional **wellbeing** for our residents, physical and emotional **security** and **excellence** in both our built environment and our service. We own and manage three aged care residences in NSW and are in a rapid expansion phase.

The Roles

Some exciting opportunities exist at our state of the art aged care residence, William Cape Gardens on the NSW Central Coast. We are currently seeking Registered Nurses, Personal Care Assistants and Cleaners to join the team of our modern, architecturally designed aged care residence.

Registered Nurses

You will be a suitably qualified and motivated Registered Nurse, with an ability to adapt your skills as part of our holistic, social model of care. In this role you will ensure that care is provided within a framework of person-centred, individualised care with a focus on wellness and companionship for residents. This role involves providing high level clinical care, assessing the clinical needs of residents and developing quality care strategies and care planning as well as the ability to lead a team. Experience in aged care would be preferable.

Personal Care Assistants

These are multi-skilled positions providing care and domestic duties to all residents as part of our holistic, social model of care. The position involves a fully rotating roster that may include a night shift. It is essential that applicants have the capacity to understand the holistic care needs within aged care and an ability to fulfil these needs in a caring, team oriented environment.

Cleaners

Successful applicants must have experience as a cleaner, the ability to work in a team oriented environment and a flexible work attitude.
